## WORK EXPERIENCE

**The University of Texas at Austin – AET304 Teaching Assistant;** Austin, Texas August 2016 – Present

- Facilitated online group discussions, related to the tech industry, creating a conducive educational chatroom environment.
- Monitored progression of ~250 students' essays and project proposals by proofreading and providing feedback.
- Engineered data entry methods, by implementing an automated attendance system, stabilizing attendance for ~250 students.

**Legazi Music Group – Intern;** Dallas, Texas August 2016 – Present

- Studied the music production pipeline, while also adding in useful commentary to make value of my experience.

**Freelance Digital Producer – Entrepreneur;** Austin, Texas August 2016 – Present

- Produce digital media artifacts (graphics, music production, and web design) for donation.
- Building a sustainable business model, procuring all ends of the business world.
- I am a programmer and website server admin, graphic artist, musician and producer, human resourcing and business liaison all at once.

**Philisa Abafazi Bethu – Intern;** Cape Town, South Africa May 2016 – June 2016

- Constructed a bakery proposal, including cost projections and fundraising ideas, aimed at creating sustainable income for the shelter.
- Painted a cartoon elephant mural on inside corridor wall, inclusive of the children the shelter hand prints.
- Spent time with ~20 toddlers and young children, while also mentoring 4 young boys during my time, increasing my overall understanding of humanitarian work.

**The University of Texas at Austin – Maintenance Man;** Austin, Texas August 2015 – December 2015

- Learned self time management skills, allowing me to efficiently work my own hours while keeping my grades and educational commitment upheld.

**Amway United States – Entrepreneur;** Austin, Texas August 2015 – Present

- Refined an understanding of the world of independent business ownership.
- Developed key networking strategies, learned the value of verbal and personal communication.
- Manage my own sales, while working on communication and group skills with my growing sales team.

**Cedar Valley Community College – Lab Assistant;** Lancaster, Texas June 2015 – July 2015

- Facilitated a different ethnic variation of ~30 middle school aged youth during lab experiments, helping achieve greater understanding of the scientific procedures tested.
- Cultivated socialization skills of the youth in order to boost confidence on the subject matter as well as in areas beyond STEM.
- Mentored male youth on behavior and general life skills to increase chances of success.

**Allen Law Firm – Intern;** Dallas, Texas August 2013 - July 2015

*Dallas centered law firm that specializes in Criminal Justice as well as Family and Civil Law.*

- Planned work day for interns, increasing productivity by delegating tasks to respective intern specialists.

- Sifted and sorted out of term paper work into proper waste management utilities, restoring the office to uncluttered conditions.
